

I.C.T Captains

As I.C.T Captains we promise we will help everyone, from teachers to students, with any technological problem. We will also help out in the preparation and running of assemblies every week. We promise to do our best job when handling technology.

“My aim as an I.C.T Captain is to help younger students with their problems when working on computers” (Zach)

“As I.C.T Captain I will make sure that the computers are kept in good condition” (Aidan)

“My number one objective is to improve my own I.C.T skills and knowledge” (Wesley)

“My goal is to help teachers and students with their computer and technological problems” (Max.D)

“I will help all classes’ assemblies and general problems they are having with technology” (Matteo)

“As ICT Captain I will help Foundation students log-in to the computer and internet during their Digital Technologies lessons” (Ben)

“I promise to do my best when helping students and teachers who are working with technology” (Holly)

“To help Miss Fairbairn whenever she needs assistance” (Martin)
