

SCHOOL CAPTAINS 2017

As School Captains of 2017, our goals are to be great role-models for the school and to lead by example. We are also hoping to make the school a better place by co-operating with each other, and installing a positive mindset within the entire school community.

OUR INDIVIDUAL GOALS

Mia: My goal is to be a great role model to younger students in the school by encouraging everyone to do their best.

Jonah: My goal is to treat everyone with respect and make everyone feel like they're part of the school.

Grace: My goal is to encourage everyone in the school to try their hardest whenever faced with an obstacle.

Eloise: My goal is to make the school a happy and friendly environment by working with the other leaders co-operatively and always being positive.

Riley: My goal is to be able to help students develop their self-confidence and make St Mary's a better place.

Ryan: I promise to show all the qualities that make me the right choice as School Captain. I hope to make the school an enjoyable place to learn and to treat everyone the same'
