

LIBRARY TERM 4 2017

During this term, the preps will be concentrating on identifying main characters, sequencing events and responding to text through discussion, drawing and role play.

The Junior students will be comparing Fiction and Non Fiction and addressing how they differ from Picture Books. They will also be identifying simple Non Fiction text features and revising alphabetical order.

The Middle students will further investigate Non-Fiction material. The main focus will be on the more complex Non Fiction text features and the purpose of the Index and Table of Contents as research tools. The importance of the contribution the illustrator makes to the development of a story will also be discussed.

The Senior students will be concentrating on the the purpose and use of Graphic Organisers as a way to organise their thinking and writing process. Students will also investigate the basic divisions of the dewey Decimal System and how it relates to researching information
