

# Media

Term Four will see each class from Foundation to Year Six create a story on film manipulating different film-making angles including but not restricted to the pan shot, the long shot, close up, mid-shot and extreme close-up.

Animation and film-making will be explored with and without technology, touching on the history of those art forms.

## Performing arts Term four, 2016

With Faye Nardella

## Christmas

Each Year level, from Year Six down to Foundation will explore Christmas and depict it through dance, drama, Music and Media.

Choir will continue this term and there will also be a piano recital in November.
