

## LIBRARY TERM 1 2017

During term 1, all classes will be focusing on Library expectations and procedures. The Foundation classes will be introduced to the library and will be encouraged to bring their library bags and to borrow each week. They will be shown where the picture books are kept and how to care for books. They will listen to a story each week and participate in book responses.

The Junior classes will be concentrating on Library etiquette and choosing appropriate reading materials by using tools such as the 5 finger test. Through the use of games and activities, they will spend time identifying picture book call numbers to assist them with locating and shelving books.

The middle school students will be revising library procedures. Student will create shelf markers to help them with locating and shelving books. They will be encouraged to move onto more challenging reading materials such as short novels. They will be given the opportunity to review and recommend the books they have read.

The senior students will also begin the term revising library expectations and behaviours. They will be encouraged to share with the class their opinions about books they have read. Students will create reading goals for the year.
