RELIGIOUS EDUCATION

Belonging to God's People

Students will learn about religious imagery, the Church building and its furnishings, and the gestures used in liturgy. They will explore the celebration of the Eucharist through a focus on key liturgical actions and objects used.

God's Great Family

In God's Great Family students learn about belonging to family and to the People of God. They explore the story of Abraham and Sarah as a story of promise and trust, and formative to our identity as the People of God. They also learn about some of the people in Jesus' family and some of the Gospel stories concerned with His childhood.

INQUIRY

100 Days of School

Students explore the number 100 in preparation for their 100 days of school celebration.

Toys

How do toys move?

Students will investigate different types of toys, how they work and how they move.

Spring

Students will become familiar with the changes in the weather during the season of Spring.

VISUAL ART

Students will use a variety of materials such as; paint, crayon, pencil and collage to create their art works.

HEALTH AND PERSONAL DEVELOPMENT

Active and Healthy

Students will learn how to;

- keep their bodies active, healthy and safe

- make good choices

- appreciate and respect their own other's bodies
