Statistics & Probability

Data

Collecting, recording and posing questions about the data

RELIGIOUS EDUCATION

Belonging to God's People

Students will learn about religious imagery, the church building and its furnishings, and the gestures used in liturgy. They will explore the celebration of the Eucharist through a focus on key liturgical actions and objects used.

The World Around Us

Students will explore the goodness and beauty of God's creation. Prayers and psalms of praise for creation and a commitment to care for it are introduced as ways of responding to this gift.

Bounce Back

Relationships

INQUIRY

Mini Unit - 100 Days of School

Students explore the number 100 in preparation for their 100 days of school celebration.

Fairy Tales

Students will look at a variety of Fairy Tales through the settings, characters, plots, dialogues and warnings to decide the message of each story. Students will wonder how fairy and folk tales help us learn about our world.

Fine motor skills development through art and craft activities.
