

# ICT Term 3

In Term Three the children will continue to work on the skills taught and learnt throughout the year.

They will also learn new skills and programmes which will assist them in their learning.

Some of the skills and programmes the children will learn in Term Three are:

- The Tux typing Programme and various internet based typing programmes to increase typing speed and accuracy.
- Continued use of programmes such as Google Drive, Google Slides, Google Docs, Publisher, Excel and Word
- Children in Years 3 – 6 will continue to learn how to use Google Drive, incorporating Google Docs, Google Slides and Google Apps
- Kidspiration and Inspiration programmes in order to scaffold ideas and thoughts.  
The Paint and Tux Paint programmes
- How to send and receive emails and the appropriate use of emails
- Internet based sites and programmes such as Google Images, Super Clubs Plus, ACMA Cybersafety website and Mathletics
- Other programmes such as Movie Maker, iMovie, Gimp and Kidspiration

All children from Foundation to Year Six will also continue to focus on Cybersafety and what it means to be safe on line. They will focus on the effective and safe use of the internet and web based programmes.

Foundation children will be introduced to the programme Word.

The Senior children will also continue to have lessons on effective use of Chromebooks to best assist their learning.
